

KUL BLACK

COMEDIAN

Kul has traveled the world performing in U.S.O. shows, as a member of the former hip-hop duo Nepotizm; which helped develop his powerfully commanding stage presence.

Bitten hard by the bug, Kul explored other areas of the entertainment business producing live comedy shows, music concerts, short films and sketch comedy videos. He found his true calling in standup comedy, bring him full circle.

As an on-air personality on "The Outlaw Comedy Show" (KNOZ-LP 96.5 FM radio) from 2006-07, Kul positioned himself as a force to be reckoned with. Headlining and featuring for a multitude of casinos, theaters, clubs, universities, private and corporate shows throughout the country, Kul Black has become a crowd favorite.
