

BUBBA BRADLEY

COMEDIAN

Growing up in a nomadic single parent family, Bubba used comedy as a way of dealing with all the instability. And fame came early to Bubba when he was voted class clown in his senior year; a title he holds in high honor even today.

Drawing on material from childhood ripe with family dysfunction, a very outspoken out-of-the-closet brother to jobs running the gamut from powder metal factory worker to Yellowstone security guard to small-town Montana bar bouncer, allows Bubba Bradley the opportunity to weave a highly entertaining, universally funny, down-to-earth story-telling style of comedy that you won't soon forget.
