

Lori Callahan

COMEDIAN

A native of Denver, Lori now tours nationally, and is one of today's hottest female comedians. She has toured with Paula Poundstone, Will Durst, and Thea Vidal, and has been seen on Showtime's **Comedy Club Network**, as well as ESPN's award winning show - **The Lighter Side of Sports**.

Lori is a regular at the famed Comedy Works as well as colleges and clubs around the country. She is not your typical female stand-up who man bashes as she grew up with all brothers and 17 guys in the hood who always had her back.

Lori has a mass appeal to both men and women alike. Her delivery makes you so comfortable that you feel as though you are sitting in your living room with a group of friends. She can get away with just about everything because of her sweet demeanor, but don't let that fool you she can tell you to go to Hell and make you feel glad to be on your way. Louie Anderson praised her for her amazing stage presence and uncanny delivery.
