

ROBIN CEE

COMEDIAN-ACTOR-WRITER-IMPRESSIONIST

So what's Robin's act like? With Robin, you're going to get a very high energy, fun show. Robin comes fully equipped with a truckload of facial expressions, and crazy voices... you might even recognize a cartoon voice or two or three. It's because of her voices that Robin would get calls at 6am-5:30am-7am from radio morning shows in the San Francisco Bay Area where Robin lives, to do impromptu voices and characters. She would get calls on the road at 6:15am to "please!" do a variety of characters including anything from "Mrs. Beasley" a filthy old woman, "Lisa Marie Presley," "Mrs. Witherspoon" the nosy white house maid, the list goes on. Not to mention supplying voices for the Tom Joyner top-20 countdown show "On the move." It is one of Robin's goals to voice, write and produce her own cartoon.

Robin has a fairly clean act. It's because of this reason Robin was asked to tour and open for Sinbad who is the "King of Clean". The bottom line is, you won't get a "def comedy jam" type of show with Robin, it's a 100% cuss-free show... Oh sure Robin insists upon grabbing a male volunteer from the audience and having sex with him live on-stage during every performance... BUT NO CUSSING!
