

# Heath Harmison

COMEDIAN

Heath Harmison is one of the funniest new up and coming comedians out there. He considers himself to be the funniest Mormon in the country. The energy he brings to the stage is astonishing! You will literally be exhausted from laughter by the end of his show.

His celebrity impressions and accents from all around the world are so spot-on they will make your jaws drop. His PG-13 style of comedy kills audiences in laughter all over the world. He has performed in many comedy clubs, colleges, and festivals including the largest performing arts festival in the world, the Fringe Festival in Edinburgh, Scotland.

If you have a chance to see Heath live, don't miss it! You will regret it for the rest of your life.
