

**SUSAN JONES**  
COMEDIAN

Susan Jones brings her twenty years of DJ experience to the stage in a big way!

Susan has spent the last ten years as an MC and feature act for many of the Northwest's biggest headliners. Susan was a finalist in the Spokane Laugh Off, and recently retired as a disc jockey to pursue life on the road as a full time comedienne!

This single mother's twist on life is flirty and funny. She brings girl talk out of the powder room and drops it firmly in your lap. Originally from Puyallup, Washington, Susan now resides down the road in Tacoma. Susan has been featured at the Comedy Underground and opened for Mike Wally Walters, Brad Upton, Debbie Wooten, Hennegen and many others.
