

VIRGINIA JONES

COMEDIAN-ANIMAL WHISPERER-*EXTREME* COSTUME DESIGNER

Virginia Jones was born and raised all over Texas, wherever the circus staked its tents. Her parents, being simple, hard-working “Carnie” folk, did not give her enough attention, so eventually she became a comedian. She’s worked as a boxer, Lindy Hop instructor and a nightclub and radio DJ; and spends her free time learning to talk to animals and creating increasingly obscure Halloween costumes. Virginia was a finalist in Portland’s *Comedy Knockout*, 2007s *Amateur Comedy Competition* and The Portland Mercury’s *PIZZAZZ* talent show. She’s also been a bridesmaid more frequently than she has been a bride.
