

VINCE MARTIN

COMEDIAN

Just 29 years old, Vince has already established himself as a fixture on the national comedy circuit. Raised in New Jersey, career began in New York City, where he quickly made a name for himself and performed at the city's finest clubs. He has since been seen on the ABC Family channel and heard on the nationally syndicated "Bob and Tom" radio show.

Vince's clever and distinctive perspective on American life is combined with a laid-back, friendly delivery to create a fun, upbeat, and wildly funny act. His eye for the absurdities of modern life and his unique writing style leave crowds in stitches. Audiences have called him "hilarious" and "hysterically funny," while bookers label Vince "impressive," with "all the tools to become a headliner".
