

Andrew Ouellett

COMEDIAN - WRITER

An Author, Satirist, and Stand Up Comic all rolled into one. This is someone who takes comedy very seriously. Punch after punch, this show is a perfect storm of refined material and quick witted improvisation. Andrew Ouellette is well known for his biting humor. Starting his career in New York, he has performed in comedy clubs all across the country. From coast to coast to the Midwest, this young performer proves to be an up and coming force in comedy. His trademark irreverence and originality have earned him a loyal following. From the moment he takes the stage his sincerity provides a wide range of comedic fodder from relationships to social commentary. If you're a fan of the art form then you don't want to miss this standup comedian extraordinaire
