

# MIKE PRICE

COMEDIAN-WRITER-HOST

Here at **Catch A Rising Star**, in the **Silver Legacy Hotel Casino**, we joined up with the “in-crowd,” last night to catch Reno/Tahoe favorite, **Mike Price**.

Quick, hip, and never offensive, the silver-haired comic soon makes it obvious why his particular sense of timing is so often being compared to that of his hero, the late, legendary **Jack Benny**.

We sat with award-winning film and sitcom producer **Bert Sugarman**, (*Good Times, Calypso, San Francisco, Comedy Shop, Carbon Copy*). Like most top-level showbiz execs, **Peter** is a tough audience, but last night he howled with laughter throughout **Price's** set.

After the show, we had the chance to swap notes with the CBC's top entertainment reporter, **Sharon Marino**. “No question about it,” she enthused. “He's a hoot, and the guy's timing and delivery lives up to the buzz. He's the real deal all right.”
