

GEOF SARGENT

COMEDIAN-ACTOR-RADIO PERSONALITY

Geof Sargent always produces laughs with a no-holds-barred look inside his real life. From working on a chicken farm to selling cemetery property, this Denver native has plenty to draw on. His Comedy career has been equally diverse. He has worked as a corporate headliner for IBM as well as performing with Tommy Chong in concert. (definitely preferring the latter). Other examples his diversified performances include headlining at the “*World Alpine Skiing Championships*” and opening for top musical acts in large concert venues. Geof is one of the brightest of the new comics working today and was recently the subject of a documentary about life on the road.

Today Geof still tours as one of the country’s top headliners as well as hosting the *TWO MINUTE TALENT SHOW*.
