

SHANNON THOMPSON

COMEDIAN

Shannon Thompson is no lightweight when it comes to comedy. With his brothel-sized vocabulary and wry sense of irony, he slays audiences like a modern day Samurai after a drunken binge.

Shannon uses his unique perspective on life (including his unusual experiences) to create comedic prose like no other. As a child Shannon would spend countless hours engaged in swearing contests with the other neighborhood children, and was almost always victorious. These naturally led to a budding interest in humor, and eventually stand up comedy. He has performed in all the leading comedy venues in across the country: The Skyline Comedy Cafe, The Loonie Bin, Brewster's, Cozzy's Comedy Club and many more. He is also a founding member of the comedy troupe, *Intellectual Delinquents*.
