

CHRIS VALENTI

COMEDIAN

If you've ever been frustrated by a relationship and you have a twisted, but healthy sense of humor, then Chris Valenti is the comic for you.

He's a philosopher of love – the kind that didn't exactly make it to 'happily ever after.' His flair for touching upon universal truths helps him create his stand up act and crazy songs. 'Please Don't Text Someone While I'm Making Love To You' is a song that files a complaint to one's techno-gadget enthusiast mate. 'Now That I'm Ready To Love You, Where Do You Live?' is a plea to get that girl back, or at least locate her.

A hopeful romantic with a sardonic sense of humor, Chris uses self-deprecation and vulnerability to write comedy about the frustrations of attempted relationships.
